

I TEACH... BECAUSE I CAN.

TEACHING CAREERS ARE HOT. AND SALARIES ARE SIZZLING.

Whether you're born to teach, or just passionate about your subject of expertise, Los Angeles needs you. A critical shortage of teachers in the region has opened bold new pathways for those who want to make a positive impact in their communities. And with salaries in Los Angeles averaging nearly \$75,000, being a teacher is rewarding in more ways than one!

TEACHING AS A PROFESSION: 101

If you've ever considered a career in teaching, now is the time to launch your future...and your local community college can help!

WHY TEACH IN LOS ANGELES?

- **A Higher Salary:** Teachers earn, on average, an annual salary of \$74,960 in Los Angeles, with experienced educators earning an annual salary of \$85,000 and more!
- **A Higher Calling:** Teachers are heroes, connecting families to more rewarding futures through the superpower of education.
- **A Bolder Community:** Teachers uplift their communities, by sharing knowledge, inspiring minds, economic opportunity and social mobility.
- **A Brighter Future:** Employment opportunities for teachers in California have increased by 30% in the last six years... and demand continues to build.

"I'm proud that I was able to follow through the programming so they gave me the ability to find a career that allowed me to be successful..."
